Where did you hear about OpenOffice.org?	Can't remember but I have an old version on CD somewhere from years ago. Didn't like it at that time – too buggy.
Reason for Migrating to OpenOffice.org:	Positive comments from Mozilla users who also use OOo. The cost of course – I have to supply my own software for home use.
How easy did you (or your users) find it to migrate?	Totally uncomplicated all documents converted well.
Do you use any other Office Suite/Application and why?	Still use MS Word on my work computer as it is supplied by our Health Trust, who are tied-in by contract.
Do you have any “wishes” for OpenOffice.org?	Not yet but I'm fickle!
What features in OpenOffice.org do you like?	Styles in Writer; Impress's flexibility; Simplicity of standard tasks; Ability to expand to meet MY needs;
What do you dislike about OOo?	Nothing yet but I'm fickle!
Anything else you'd like to say...	Besides the superb software, I am totally bowled-over by the generosity of the experts and helpers on the Forums & mail-lists.
